Colour Correction

A highly skilled service – by consultation only From £125 POA

** Our fashion colours include a toner to finish if required, worth £28.

* Please note: You can mix all above services between different levels of experience, e.g. choose to have your colour applied by a stylist and have the cut and design with a Director or Senior Designer.

* Skin test is required 48 hours prior to colour.

* All prices are from and will vary if the services take longer or more product is used for longer thicker hair.

Please note: Most colours fall into our fashion colour. All blonding services fall into fashion colour as requires bonding treatment and toner which is all inclusive in the fashion rate. Any colour service that requires 2 colour services or uses fashion technique is a fashion colour. Thicker hair requiring longer time or extra colour will incur an extra charge and we recommend a free consultation for an estimate.

Back Wash Services from

Express Treatment £13 (5 mins)

This deep conditioning treatment, along with relaxing head massage, won't break the bank and is ideal for busy clients. It is recommended with all services.
